

## President Reagan Library

**At the entrance you're welcomed by President Reagan.**

**The south side of the library with the gravesites in the center.**

**The gravesites of Nancy and President Reagan**

**Air Force One, the plane President Reagan used and the view below.**

President Reagan and Prime Minister Gorbachev negotiating during their 4 summits to cut nuclear arms. He deserves a pat on the back for sure!

Some of President Reagan's favorite souvenirs.

**The Oval Office at the White House as arranged by President Reagan. On his desk is a plaque that says “There is no limit what a man can do or where he can go if he doesn’t mind who gets the credit”. That was certainly the way he lived. May God Bless him.**

**On the northwest side of the grounds President Reagan still rides high.**
