

Tiananmen Square

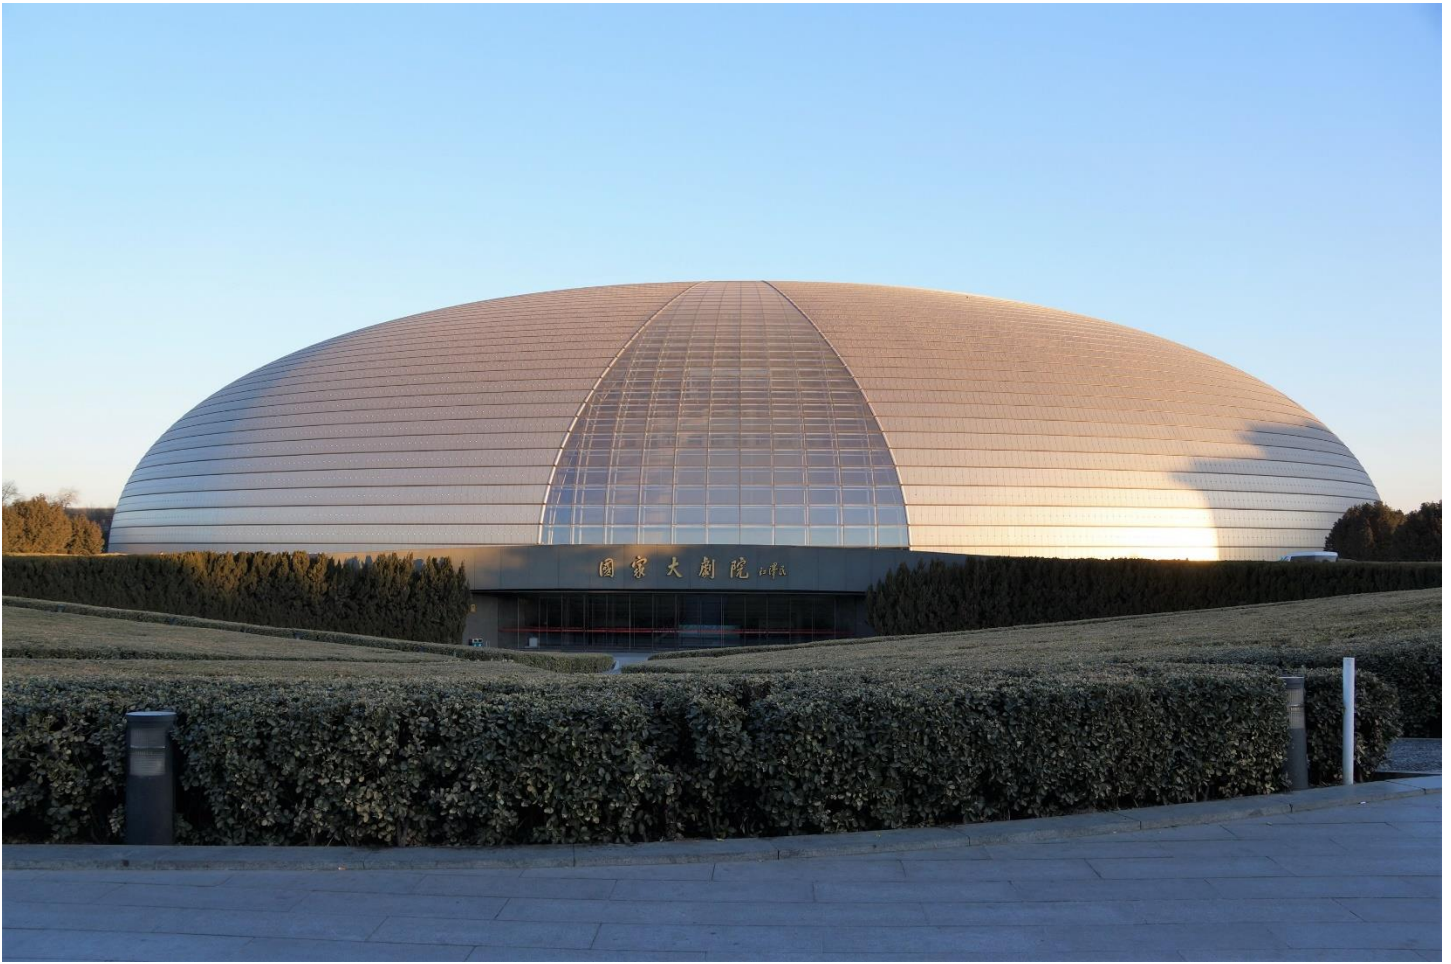

Above: The Tiananmen gate entrance to the Forbidden City from Tiananmen Square. Below: The actual square is 109 acres and much of it is used by the Chairman Mao Memorial.

Above: The Monument to Peoples Heroes. The buildings beside the square include the Hall of Congress (below) where the party meets.

It includes the National Center for the Performing Arts (above). And it includes many guards (below).

Above: The poles have security cameras. Below: Two frozen tourists.
