

## Flaming Gorge Utah/Wyoming

The drive around the reservoir has many deep red canyons.

Panoramic of the same canyon.

The cliffs become very red as we approach the water of the reservoir.

Panoramic of the same cliff.

Two views of the same cliff from different altitudes.

Above: From the highest viewing area. Below: Bridge as we approach the dam.

The Flaming Gorge Visitor Center on the dam.

The Flaming Gorge Dam.

We pose with Jerry & Judy on both sides of the dam.

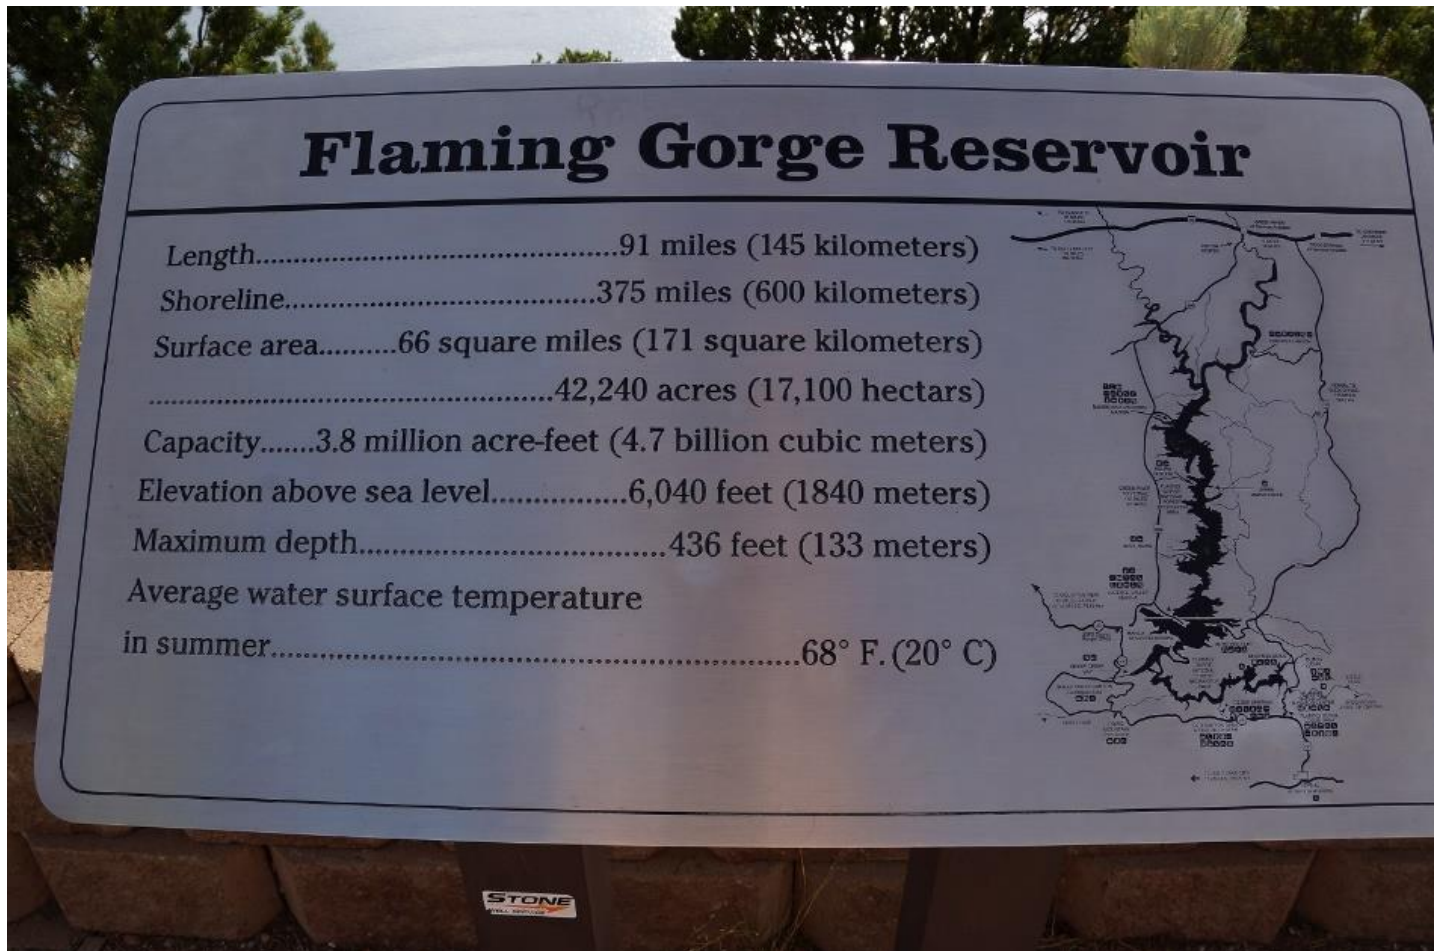

The 502' by 1,285' foot Flaming Gorge Reservoir Dam.

Panoramic of the bridge, dam and reservoir.

Statistics of the Flaming Gorge Reservoir.
