

## MT. GAMBIER EXCHANGE

Us with Judy and Roger Jericho our hosts for the Mt. Gambier Exchange.

Left: Joanne with wine made by Roger's brother. It was excellent. Right: Our FF Welcome Dinner at Mt. Gambier!

Mt. Gambier has a Friendship Force Rose Garden. Above, Denver's ED Dave Bentzin and Mt. Gambier's ED Neville Gilberton plant a rose bush in the garden.

Above: Our group met Friendship Force Member and Mt. Gambier Commissioner Merv White. He gave a talk on the Mt. Gambier city government.  
Left: The beautiful library and government center of Mt Gambier.

Our group toured 5 wineries around Mt. Gambier. Above is Wynn's Winery. The others were Caroline Hills, Herbert Vineyard, Brand's Laira and Rymill Coonawara Winery.

Brand's Laira Winery.

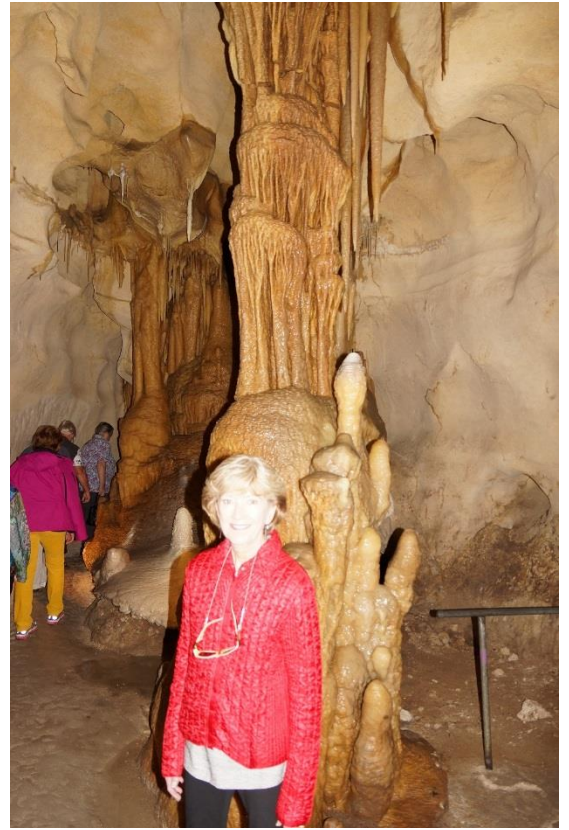

Mt. Gambier's beautifully landscaped sink hole next to the government center in the center of the city.

Blue Lake, a 230 foot deep volcano crater which fills with limestone filtered water from the bottom. It supplies Mt Gambier, a city of 25,000, with clean water. Note the pumping station on the left.

Left: Our group touring the cities pumping station. The water is pumped up to the highest hill above the city and provides a pressure of 1200 liters per second (right).

One of the highlights in Mt. Gambier was a tour of the Princess Margaret Rose Cave.

Our wonderful Dinner Party at Roger and Judy's. Note the wine!
