

Las Vegas

Above the futuristic City Center is overwhelming. Below the monorail is an unforgettable ride through amazing architecture.

Inside the casinos are city streets depicting the theme of the Casino. Above in the Caesar's Palace it is a street from Rome. Below a street in the Venetian Casino depicting Venice.

Outside the casinos have free shows. Above the Mirage has a volcano explode and below the Bellagio has a water show set to music.

Along the Las Vegas Strip there are shopping malls. They are lit up and beautiful at night.

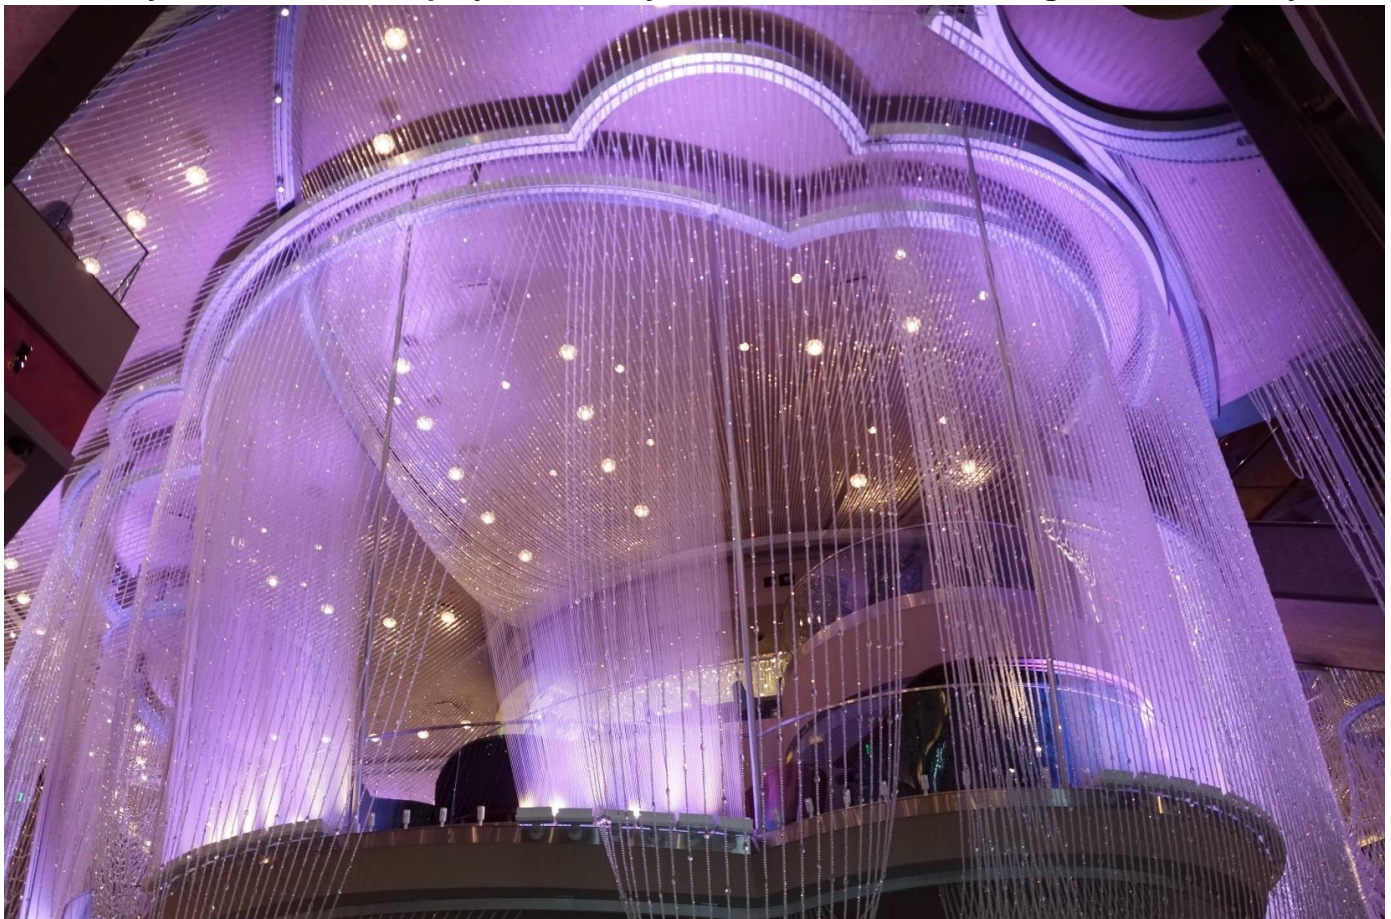

Every Casino has a buffet. The best is in the Parisian Casino called Le Village Buffet.

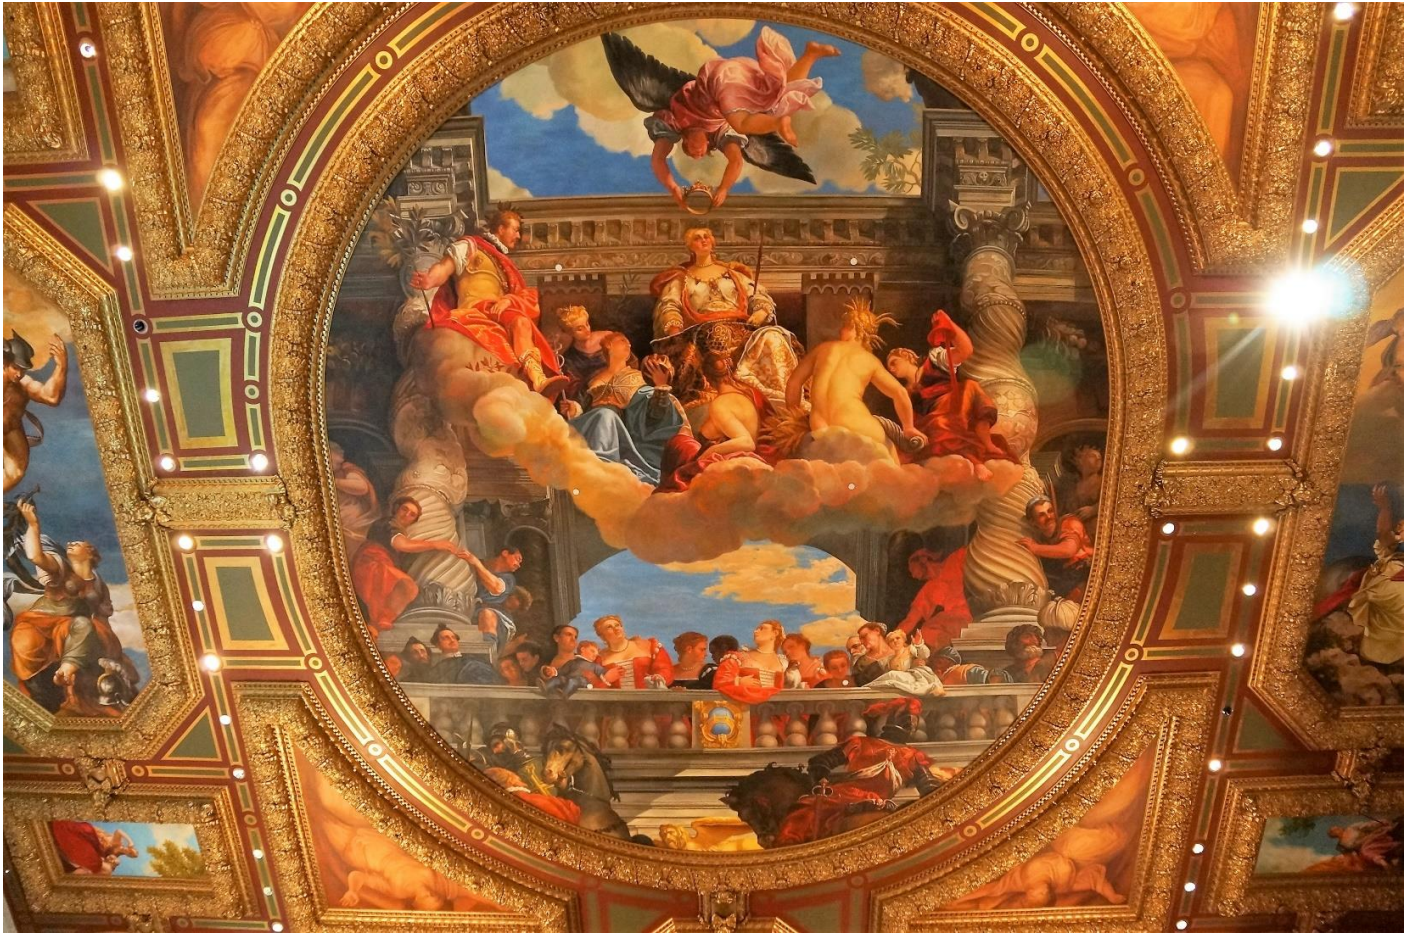

Every Casino has a display to attract you. Above is in the Bellagio Conservatory.

The Crystal Bar is located in the Cosmopolitan Casino.

The casinos have murals. Above is in the Venetian Casino. They have water spout tornadoes to entertain all. It can be a fantastic time just looking at it all!
